EMPLOYMENT OPPORTUNITIES

Network Administrator

Your Career, Your Community

As a Network Administrator in the City of Salisbury, you can make a difference! The City is seeking motivated candidates who will maintain systems, perform troubleshooting, and correct problems. Responsibilities include but are not limited to administering firewalls and network infrastructure; administering a Microsoft environment consisting of DC's, File, Database and Exchange servers; including design, planning, implementation, configuration, and maintenance; administering overall network and server security; maintaining and monitoring system and device logs; installing, activating and testing equipment required for successful implementation; and acting as the final point of escalation for technical help desk requests. Join our team for a rewarding career that includes many benefits such as: 401K, Wellness Clinic, Insurance and more.

Minimum Requirements:

- Bachelor's degree with coursework in telecommunications, or related field and considerable experience or equivalent combination of education and experience
- Experience working with local government is preferred.
- Must have a valid NC Driver's License and a good driving record
- Requires knowledge of networking, Microsoft environments, and system design; as well as skill in the installation, repair, and maintenance of information technology systems.
- Ability to maintain required records; ability to communicate ideas effectively, both orally and in writing; ability to identify and correct problems as they arise; ability to establish and maintain effective working relationships with city officials, department personnel, customers, and consultants
- Must be readily available to assist with 24/7 emergency on site calls

Closing Date: Open Until Filled
Salary range: \$65,733.45 - \$80,902.71
